

WE ARE LOOKING FOR VIRTUAL REALITY ENTHUSIASTS

Join our team as Working Student Business Operations (m/f/d)

-  Where: Munich / Home Office
-  Position: Working Student Business Operations
-  Areas: Business administration, International management
-  Maximum 20 hours per week

Virtual Reality will be integral part of an increasingly connected world in the future. We are a Munich-based software start-up that wants to set the standard for tomorrow's Virtual Reality projects. Our happy customers like Porsche, Siemens and Telekom are already embracing this technologic shift.

Help us to improve our product by

- » Support of the management team in daily business operations
- » Preparation of deliverables for shareholders, customers, and potential investors
- » Coordination and assessment of business-related projects and processes
- » Research and analysis on Virtual Reality related topics

What we expect:

- » Enrolled student, preferably in business administration, international management or a similar field of study
- » Ideally, first practical work experience in business operations or similar
- » High degree of independence and personal initiative
- » Very good written and verbal communication skills in German and English
- » Advanced knowledge in MS Office (especially PowerPoint, Excel, Word, Outlook)

What we offer:

- » Friendly, international and highly motivated team members
- » High degree of freedom and self-autonomy
- » Attractive working conditions and great experience of working in a successful start-up

Maximum 20 hours per week. During the semester break, the weekly working hours can be increased. You have the possibility to work from home office.
