

WE ARE LOOKING FOR VIRTUAL REALITY ENTHUSIASTS

Join our team as Working Student VR Design (m/f/d)

-  Where: Munich / Home Office
-  Position: Working Student Virtual Reality Design
-  Areas: Creative Solutions
-  Maximum 20 hours per week

Virtual Reality will be an integral part of an increasingly connected world in the future. We are a Munich-based software start-up that wants to set the standard for tomorrow's Virtual Reality projects. Our happy customers like Porsche, Siemens and Telekom are already embracing this technologic shift.

Help us to improve our product by

- » Creating interactive 360° / VR projects with our platform
- » Supporting in the Virtual Reality design of client projects
- » Assisting with graphical concepts and storyboards

What we expect:

- » Enrolled student, preferably in media design or a similar field of study
- » Interest in gaining experience in the world of Virtual Reality
- » Ideally firsthand experience of working in this field
- » Creative, innovative and enthusiastic mindset
- » Good skillset of common design programs and office programs (such as Adobe and Microsoft Office)
- » Very good written and verbal communication skills in English and/or German

What we offer:

- » Friendly, international and highly motivated team members
- » High degree of freedom and self-autonomy
- » Attractive working conditions and great experience of working in a successful start-up

Maximum 20 hours per week. During the semester break, the weekly working hours can be increased. You have the possibility to work from home office.
