

Working Student CEO Support and Investor Relations (m/f/d)

The Metaverse is the next big thing and Virtual Reality will be integral part of an increasingly connected world in the future. We are a Munich-based software start-up that is leading the Metaverse development and enabling customers like Siemens, Nestle and Porsche to get started with the Metaverse.

Help us grow and improve. Support the CEO by

- preparing PowerPoint presentations and other deliverables for management, shareholders, customers, and potential investors
- Business modelling using Excel
- Research and analysis on Virtual Reality / Metaverse related topics

What we expect:

- Enrolled student, preferably in business administration, international management, or a similar field of study
- Ideally, first practical work experience in consulting, project management or similar
- Very good written and verbal communication skills in German and English
- Advanced knowledge in MS Office (especially PowerPoint & Excel)
- High degree of independence and personal initiative

What we offer:

- Deep insights into different business areas of a fast-growing start-up
- Close collaboration with CEO on highly critical topics – you will learn a lot
- Maximum flexibility - work from anywhere and anytime
- Be fully integrated in young, ambitious team and fast-growing Start-up environment

Attractive hourly compensation rate.

Maximum 20 hours per week.

During the semester break, the weekly working hours can be increased.
