Job Description:

We are seeking a highly motivated working student to support our marketing and sales team at VRdirect. The ideal candidate will have a strong interest in virtual reality and technology, as well as experience in marketing and sales. The role will have a strong focus on developing and executing marketing campaigns, generate leads, and support sales efforts along with our sales and marketing team. It will also involve a strong focus on analytics and research.

Key Responsibilities:

- » Assist with the development and execution of marketing campaigns
- » Help generate leads and support sales efforts
- » Provide support to the marketing and sales team in the areas of analytics
- » Assist with market research and analysis
- » Provide support for events and trade shows

Qualifications:

- » Currently enrolled in a relevant field of study (Marketing, Business Administration, IT, etc.)
- » Strong interest in virtual reality and technology
- » Experience in marketing and sales is a plus
- » Strong analytical skills and attention to detail
- » Excellent verbal and written communication skills in German and English
- » Ability to work independently and as part of a team

This position is a part-time, remote or onsite in Munich, with flexible working hours to accommodate school schedule. If you are passionate about virtual reality and want to be part of a fast-growing technology company, we would love to hear from you.
