

WE ARE LOOKING FOR A

▶▶▶ Working Student Design (m/f/d)

Location: Munich / remote, part-time

Virtual Reality will be an integral part of an increasingly connected world in the future. We are a Munich-based Start-up that wants to set the standard for tomorrow's Virtual Reality projects. Our happy customers like Porsche, Siemens, Bayer and Telekom are already embracing this technologic shift.

Help us to realize our vision by

- » Creating 360°VR projects with our no-code platform
- » Designing in the virtual space
- » Assisting with creative concepts and storyboards for client projects
- » Supporting the Creative team and Marketing team with graphics, visuals, videos and animations

Qualifications:

- » Enrolled student, preferably in New Media Design or a similar field of study
- » Interest in gaining experience in the world of Virtual Reality
- » Ideally having a good understanding of modern tech in general
- » Creative, innovative, and enthusiastic mindset
- » Good skillset of common design programs and office programs (such as Adobe Creative Cloud and Microsoft Office)
- » Nice-to-have: Experience with common 3D design and video editing programs (such as Blender, Cinema 4D, Adobe Premiere)
- » Very good written and verbal communication skills in English and/or German

Maximum 20 hours per week.

During the semester break, the weekly working hours can be increased.

You have the possibility to work from home office.
